

## **FENS Summer School on “Scientific basis for FBDGs – new challenges”**

**conducted by  
Serbian Nutrition Society & University of Belgrade - Faculty of Pharmacy  
University of Belgrade  
on behalf of the Federation of European Nutrition Societies**

**August 19<sup>th</sup> to 23<sup>th</sup>, 2019**

The FENS summer school is addressing young scientists (students (master/doctoral) and post-docs) preferentially with an epidemiological or public health background that would like to get up to date knowledge how to translate scientific findings into recommendations, particularly food based dietary guidelines.

In this summer school, you will meet the leading experts from Europe in this field but also many local scientists from a very interesting region of Europe. The lectures are spanning around the conception and practical aspects of Food based dietary guidelines (FBDGs) and also include some broader topics of use and translation of scientific data for public health initiatives.

The FENS summer school intends to support professional and personal capacity building by providing a stimulating atmosphere for one week that could be used to update the knowledge, to learn about perspectives of scientific approaches, and to build up own networks with nice people.

**When: 19<sup>th</sup> – 23<sup>rd</sup> August, 2019**

**Where: Hotel M, Belgrade (<https://www.hotel-m.com/>)**

**Size: maximal 40-50 Students**

**Costs: No summer school fee but fee of 70.00 € for coffee breaks, copies of lecture material and one social event**

**Local organizer: Prof. Dr Sladjana Sobajic**

**Application: Contact for further information, registration and payment method: [vanja.todorovic@hotmail.com](mailto:vanja.todorovic@hotmail.com)**

**Local information:** Contact for information about Serbia, Belgrade, accommodation possibilities, weather, events: [smiljka.tasic@bpsa-serbia.org](mailto:smiljka.tasic@bpsa-serbia.org)

Each day consists of 4 units (Lecture 9:00 to 10:30; coffee break; lecture 11:00 to 12:30; lunch; lecture 13:30 to 15:00; coffee break; group work 15:30 to 17:00). On Friday, there will be a short written examination (multiple choice), presentation of group work, and final evaluation of the course.

The summer school will be credited with 1.5 ETCS (successful examination required)

**List of proposed Summer school topics (90 minutes lectures; topics subject to changes):**

- Nutrition and health - an introduction
- The global burden approach: DALYs as unifying concept of rating impact
- Sustainability. The new topic in nutrition research
- Generating evidence: from experimental science to human experimental studies
- EBR as a basis for FBDG development
- Meta-analysis of observational and intervention studies
- Public Health Nutrition: Opportunities to contribute to recommendations
- The new Flemish Food Triangle: What and why
- Translation of scientific data into consumer - oriented information
- FAO/WHO and EFSA guidelines for development of FBDGs. Development of FBDGs for elderly as a target group
- Social, cultural, ethical aspects of FBDGs

# APPLICATION FORM

## FENS SUMMER SCHOOL

### ON “Scientific basis for FBDGs – new challenges”
